Intergovernmental revenues represent the revenues that the State and other governmental entities provide to the Town. The general fund reports Urban Revenue Sharing, State Sales Tax, Auto Lieu Tax and other intergovernmental revenues (Yavapai County flood control, Yavapai County library, Yavapai College and utility administration).

Total intergovernmental revenues increased by \$141,324 over the previous year; however we are below budget estimates due to the following:

- The Tonopah Storm Water Improvement Project and Agua Fria Floodplain Revision Study capital projects are budgeted to be reimbursed by the Yavapai County Flood Control District for a total of \$600,000. There has been a reimbursement of \$11,780 during the reported period.

Charges for services increase by \$17,688 over the previous year and are unfavorable to budget by \$1,340. The increase is mainly due to higher revenues in softball, specialty classes, pool and concession fees.

Fines and forfeitures decreased by \$101,136 over prior year and are below budget estimates by 61.06%. Compared to prior year collections, fines and forfeitures are behind mainly due to less than budgeted collections of court fines and hearing fees, and due to the reversal of the year end court cash.

**Town of Prescott Valley  
Management's Discussion and Analysis**

Investment and rental revenues are unfavorable to the budget for the current year mainly due to the reversal of the year end interest receivable journal entry. This variance will improve as investment earnings are booked throughout the fiscal year.

Miscellaneous revenue is unfavorable to budget by \$6,867 during the period reported.

Other financing sources are unfavorable compared to the budget mainly due to transfers are booked throughout the fiscal year and no transfers have been completed during the reported period.

Total expenditures increased by \$74,520 over the prior year and are favorable to budget by \$986,605.

Highlights of general fund expenditures include:

- Town Council expenditures are unfavorable to budget mainly due to the annual membership dues for the League of Arizona Cities and Towns and NACOG that was paid during the reported period.
- Management Services expenditures are unfavorable to budget mainly due to software/hardware maintenance annual contracts which were paid during the reported period and higher than budgeted bank fees.
- Parks and Recreation expenditures are unfavorable to budget due to purchase of a mower during reported period, pool wages and higher than budgeted utilities expenditures.

As revenues and expenditures are monitored, it is important to review the Town's position of total revenues over (under) total expenditures to ensure the Town is in compliance with policy and bond covenants. Over the last several years, operations have been partially funded by fund balance. For the current fiscal year, expenditures were not budgeted to be covered by fund balance.

**Town of Prescott Valley  
Management's Discussion and Analysis**

**Enterprise Funds**

The Wastewater and Water Funds are Enterprise Funds which means they are operated similar to a private business where the intent is for them to be financially self-sufficient with all costs supported mainly by user charges. Because enterprise funds are operated like businesses, they have operational costs, capital, debt service and unlike the government funds, depreciation expense.

Total wastewater fund revenues decreased by \$38,803 over the previous year. Compared to budget, revenues are unfavorable by \$21,943.

Investment earnings are unfavorable for the period reported mainly due to the reversal of the prior year end interest receivable. This variance should improve during the fiscal year as investment earnings are reported.

Business type activities are above budget estimates mainly due to increased wastewater capacity fees collected resulting from an increase in residential permit activity.

Other financing sources are unfavorable for the period as current fiscal year transfers have not been processed during the period reported.
