## Certified Backflow Prevention Assembly Testers

---

Below is a list of companies that provide certified backflow prevention assembly testers in which none are personally endorsed by the Town of Prescott Valley. You may choose one of the companies from this list, or you may choose another certified tester. The Town of Prescott Valley must have on file; a copy of the tester's certification, test kit(s), calibration report(s), and a copy of the tester's Town of Prescott Valley business license.
