# Memorial Tree Donation Program

Remember a Loved One  
in a Special Way

# ADOPT-A-PARK PROGRAM

***The Memorial Tree Donation Program offers you a unique way to remember a loved one and create a lasting legacy for him or her.***

## MEMORIAL TREE DONATION PROGRAM

The Memorial Tree Donation Program lets you remember a loved one in a very special way—by planting a tree in his or her honor in one of the Town's parks. Your loved one will not only be remembered, but you'll be helping your community at the same time. As an added remembrance of your loved one, a plaque can be installed by the tree. The Memorial Tree and Plaque will be purchased from funds donated in your loved one's name.

MODESTO ASH

## MEMORIAL TREE SITE

The Town has designated areas for tree placement in consideration of the following conditions:

- \* Available adequate irrigation
- \* Proper growing space available for the newly planted tree in the park
- \* Existing and future maintenance considerations for the newly planted tree

## MEMORIAL TREE SPECIES

Trees best suited to our parks system are typically Ash trees. However, you can pick from a variety of trees including:

- \* Deodar Cedar, Desert Willow, Chitalpa, Arizona Cypress, Arizona (Modesto) Ash & Walnut Ash.

***The minimum size of the tree is 24" box.***

## MEMORIAL TREE PLANTING

Memorial Trees can be planted year-round, depending on tree availability and weather conditions. Trees are typically planted during regular parks maintenance business hours Monday through Friday\*. Town staff will plant the tree and install the plaque then notify you when and where the tree was planted. Please feel free after that time to plan a site visit or hold a private dedication ceremony.

The tree will become a part of the Town's tree inventory and will be maintained by the Town.

\*Weekend tree planting can be scheduled by appointment.

**Memorial trees may be replaced in the future if necessary.**

## STARTING THE MEMORIAL TREE DONATION PROCESS

To start the Memorial Tree planting process, you will need to complete a Memorial Tree Donation Program Application. Once your completed application and donation is received by the Town, the funds will be deposited into the Memorial Tree Program account in your loved one's name. A letter confirming the donation will be sent to the donor.

For consistency throughout our parks system, plaques will be purchased through a local Prescott Valley business. The plaque is molded in bronze with a brown background and double line edging. You can select either a 5" x 7" or 8" x 10" size plaque.\* The plaque will take approximately 6-8 weeks to be completed.

After the plaque is completed, you will be contacted by the Parks Supervisor to discuss tree selection and planting site.

The cost of the Memorial Tree Donation Program is as follows:

- \* Tree only: \$300.00
- \* Tree with 5" x 7" plaque: \$475.00
- \* Tree with 8" x 10" plaque: \$625.00

**\*Special arrangements can be made for custom plaques. Prices may vary according to current market.**
