

**DETERMINATION OF NO CHANGE TO INFRASTRUCTURE
IMPROVEMENT PLAN (WITH MINOR AMENDMENTS), LAND USE
ASSUMPTIONS, OR FEE REPORT**

The Town has determined that no changes to the Infrastructure Improvement Plan (with minor amendments), underlying Land Use Assumptions, or Fee Report are needed and elects to continue the existing Infrastructure Improvement Plan and Fee Report.

The Infrastructure Improvement Plan (with minor amendments), approved by the Town Council on Feb 27, 2014, and Fee Report, approved by the Town Council on May 15, 2014, shall continue in force.

A map and description of the Service Area covered by such Infrastructure Improvement Plan and Fee Report is included with this notice.

Any resident of the Town may submit, within sixty (60) days of published notice, a written request that the Town update the Infrastructure Improvement Plan, underlying Land Use Assumptions, and/or Fee Report and the reasons and basis for the request to the following address:

Town Manager's Office
7501 E Civic Circle
Prescott Valley, AZ 86314

Response to Comments. The Town shall consider and respond within thirty (30) days to any timely requests submitted during this 60 day period.
